ADA:ADM:EST:Consultants:1/2015

13<sup>th</sup> April 2015

**Empanelment of consultants in ADA**

ADA is an autonomous body under department of Defence R & D, Ministry of Defence, Government of India. ADA requires the services of experienced Retired Personal as Consultants who can support various programmes in our Organisation in the following areas at various levels:

1. **Technical Consultant** – Experience in the areas of Engine maintenance, Aircraft maintenance, Aerodynamics, Aeronautical Mechanical & Civil structure system design, Avionics and Flight control systems design, Networking & Computer support, Aircraft Integration Support, Aircraft Equipment installation support, Drop Tank consultancies etc.
2. **Non – Technical Consultant** – Experience in the areas of Administration, Material Management , Finance, Programme Management, outstation flight Trial Management etc.

The Consultants should have adequate experience in handling major Defence related Projects/ Programmes and retired/resigned from reputed organizations such as Defence PSUs, IAF, Indian Navy, ADA, DRDO. Persons retired/resigned from other Central Government organizations may also apply.

**Candidates who are willing to provide the services as Consultants at various levels are required to apply through Online in ADA website, which will open from 20<sup>th</sup> April, 2015 onwards.** The applicants are requested to indicate the area of specialization in the Online Application. ADA proposes to keep a databank of consultants in the above areas. ADA will contact the suitable candidates for interview as and when there is requirement from any Directorate.
